

REMNANT SOUL WINNERS

Compelling Souls for Christ!

Annual Ministry Newsletter 2022

About us

Remnant Soul Winners is a self-supporting ministry within the Seventh-day Adventist church whose mission is to equip church members on how “to make ready a people prepared for the Lord.” The ministry brings together volunteer missionaries from both professional and collegiate levels who willingly sacrifice their time, talents and resources for the advancement of God’s cause.

What we do

We recruit missionary volunteers through our web portal, give basic missionary training, deploy missionaries to unentered or needy areas, we provide outreach materials, we also provide mentorship and supervision while supporting the missionaries with food, shelter and other basic needs.

Our Methodology

While we place a great emphasis on personal evangelism, we combine various methods for greater efficiency and wider reach including Bible Work, Medical Missionary Work, Prophecy Seminars, Literature Distribution and charity work. While engaged in aggressive outreach we also seek to revive the local churches through strategic discipleship and leadership trainings coupled with life-changing revival programs.

Our History

Remnant Soul Winners ministry was conceived in 2020 in the middle of the COVID-19 pandemic. While every door for public ministry seemed to be closing, God reminded us through the prevailing circumstances and the pen of inspiration the need to focus on personal ministry. At the height of the pandemic, God providentially brought us our first group of volunteers who pioneered the work of the ministry through different personal evangelism approaches.

With the help of willing local churches and free will donations from well-wishers, our pioneers were deployed to remote areas Central Nyanza Conference. Our target was to visit every home in the territory, make valuable relationships and share the word of God with them. When the work begun our volunteers could barely meet all appointments. It was clear that people were thirsty for the simple explanation of the word of God. In the end, that which begun as a simple idea to engage young people in God’s work by asking them to freely volunteer their talents for a period of time has paid off in baptisms, new church plants and revived local churches.

“In reviewing our past history, having traveled over every step of advance to our present standing, I can say, Praise God! As I see what the Lord has wrought, I am filled with astonishment, and with confidence in Christ as leader. We have nothing to fear for the future, except as we shall forget the way the Lord has led us, and His teaching in our past history.”

(Life Sketches, p. 196)

At **Remnant Soul Winners (RSW)** we believe in both in-reach and outreach programs that not only focus on adding souls to the church but also empowering the church members and leaders to “walk worthy of the Lord unto all pleasing, being fruitful in every good work, and increasing in the knowledge of God.”
(Colossians 1:10)

"Some who are not ordained ministers will be laborers together with God in visiting the churches, and trying to strengthen the things that remain, that are ready to die. There will be laymen who will move into towns and cities, and into apparently out-of-the-way places, that they may let the light which God has given them, shine forth to others."

Christian Service, p. 180

"I saw two Bible workers seated in a family. With the open Bibles before them, they presented the Lord Jesus Christ as the sin-pardoning Saviour. Their words were spoken with freshness and power. Earnest prayer was offered to God, and hearts were softened and subdued by the softening influence of the Spirit of God. As the Word of God was explained, I saw that a soft, radiant light illuminated the Scriptures, and I said softly, "Go out into the highways and hedges, and compel them to come in, that my house may be filled.""

Evangelism, p. 457

"The plan of holding Bible readings was a heaven-born idea. There are many, both men and women, who can engage in this branch of missionary labor. Workers may thus be developed who will become mighty men of God. By this means the Word of God has been given to thousands; and the workers are brought into personal contact with people of all nations and tongues."

Evangelism, p. 456

From Darkness into His Marvelous Light

The Testimony of Mzee Samuel Otumba

When our pioneer volunteers first approached Mr. Samuel Otumba with a Bible study offer, he was not sure whether to welcome them or not because of the many religious deceptions being presented today. Even with these doubts still lingering in his mind he decided to give the studies a chance. What first captured his attention was the fact that all the studies were Bible based and he could read the answers in his own Bible. As a man with a torch in hand but still walking in darkness for not knowing how to use it, so was Mzee Otumba who had a Bible he rarely opened. After a number of studies, he began to see the Bible for what it truly is: a light and a lamp for the Christian's pilgrim pathway.

One of the things I loved about this old man was his willingness to leave his daily businesses to attend to the Bible studies. With a smile, he would often say, "This is the most important business we can ever engage in this side of eternity."

Studying with him was special because he would not let you proceed till he was sure he understood what you shared, and his questions clearly answered. We soon became friends not only discussing about the Bible but also other things about daily life.

When we discussed about baptism, he desired to renew his walk with God through the Biblical method of immersion since he had only been sprinkled in infancy. One thing he kept asking was, "Are you sure that God will still accept me after all the mistakes I have made through my past life of recklessness?" After sharing the Bible promises, Samuel decided to get baptized into the Seventh-day Adventist church despite much pressure from his former faith (EACC). He is now being disciplined in Kasiri SDA church. We praise God for calling Mr. Samuel Otumba from darkness into His marvelous light.

Convicted by Overwhelming Evidence

The Testimony of George Omondi

George loved God and regularly attended the church of his parents and relatives. Throughout his life, it never ever crossed his mind that he would one day join the church where his wife worshipped: The Seventh-day Adventist church. Though he never resisted his wife's faith and religious persuasion, he had become an active critic of his wife's church always seeking to find a mistake in church members or leaders as an excuse never to join its fellowship. Everything went on normally in George's life until the RSW volunteers arrived.

At first, he was indifferent to the Bible studies that were being conducted in his living room for his wife and children. When he attended, he did it only to create doubts and questions. As the studies progressed, George noticed that these young missionaries he had underestimated had a firm grasp of the Scriptures and would always answer him biblically and respectfully. This challenged him since could not find any excuses to hide his stubbornness. Though he had sworn never to be converted by 'children,' George's attitude began to change under the transforming influence of the truth. He got more interested and had all his questions cleared from the Bible. He saw that Seventh-day Adventists have solid biblical evidence for their faith and practice in contrast to his popular family church. This was his Damascus-road experience. George decided not only to embrace the truths he learnt but also to help others know them. He began to organize appointments between the missionaries and his clanmates that they too might hear and embrace this new-found faith that buoyed his heart. By the time George was baptized, three other members of his community were also baptized as a result of his influence. He is now an active member of the newly established Rageng'ni Sabbath School. This sabbath school was born as a direct result of the work of RSW volunteers. We say of George as was said of Paul: "He which persecuted us in times past now preacheth the faith which once he destroyed." (Galatians 1:23) Amen!

Thank You!

A Message of Appreciation to all our Donors, Volunteers and Well Wishers!

As we look back to what God has done through our combined effort, we can tell for a fact that we could not have achieved what we have without the provisions God made available to us through you. We appreciate all who have regularly sacrificed to see our volunteers fed and the ministry sustained through their financial donations. The money we received went into rent and food for volunteers, outreach materials and other evangelism related costs. May God sustain you as you commit to give again.

We wish to also thank all the volunteers who freely gave their time, talents and resources at great sacrifice to share the love of Christ in every house they knocked. May the God whom you serve continually grant you peace and prosperity for greater and better service.

Money cannot be carried into the next life; it is not needed there; but the good deeds done in winning souls to Christ are carried to the heavenly

courts.  Ellen White

The harvest truly is plenteous, but the labourers are few; Pray ye therefore the Lord of the harvest, that he will send forth labourers into his harvest.

Appeal for donations and volunteers

Our experience from the very beginning has taught us that God will always provide for His work through consecrated channels. We have volunteers in the field that need to be sustained, the hungry to be fed, the naked to be clothed and the sick to be cared for. You can avail yourself and your talents for the real work or you can avail your means to see the work progress. Be involved. Reach out to us to know how you can be involved.

Acknowledgments

We wish to register our sincere gratitude to all those who have offered great support to **Remnant Soul Winners** ministry and continue to do so. God bless all these men and women of valor:
